ABOUT ME

Hi, I'm James, a Year 12 student with experience in the AV, film, and theatrical industries. I have worked as a casual tech for Visual Focus for two years, learning the arts of professionalism and problem-solving in an industry that demands nothing less. I have completed seven musicals and 200+ hours of volunteer work as a light tech. I am now looking for a second job that I can do during weekends, weekday nights, and holidays.
